Viewing your team members from Business Portal

Business Portal · https://workerchecks.com/es/docs/ver-a-los-miembros-de-su-equipo-desde-el-portal-de-empresa/

This video shows how to view your team members from Worker Checks BusinessHub (the **Business Hub** menu in the app) and click through to an individual worker's dashboard.

As explained in Check Queue and Worker Status, you can click a worker's name in any Check Queue tab, except AUS Expired, to open their Worker Checks personal portal. There you can see:

- their application progress
- their check certificates (available for 3 months)
- verification logs

Click through to their dashboard from your Business Portal:
