Why All Worker Checks Applications Are 100 % Online

No — Worker Checks does not accept applications by fax, email, or post.

All **Worker Checks Police Checks**, **VEVO Checks**, and **International Checks** must be completed **entirely online** through our secure digital platform.

Why Fax or Email Applications Aren’t Accepted

For compliance and security reasons, **Worker Checks verification of identity** is performed using **biometric technology and digital document upload**, not manual or paper-based submission.

We **cannot accept**:

- Scans or photocopies of ID sent by email
- Printed forms mailed or faxed
- Certified copies or photos of documents

---

100 % Secure Online Verification

When you apply through **workerchecks.com**, your identity is verified instantly using:

- **Digital photo ID upload** (passport or driver licence)
- **Biometric facial matching** to confirm liveness and likeness
- **Encrypted transmission** of all personal data to Australian servers

This process meets **ACIC proof-of-identity** and **data-sovereignty standards**, ensuring your check is both **fast and fully compliant**.

Why Apply Online with Worker Checks

- No need to post or scan documents
- Faster processing — around 80% of police checks returned **within 1–3 minutes**
- Instant digital delivery to your personal **Worker Checks portal**
- Secure, compliant, and fully paperless
